

REMARKS

Claims 11 and 13-20 are amended herein to address the concerns raised by the Examiner in his telephone conference with the undersigned on June 3, 2010. Specifically, independent claims 11 and 15 are amended herein to remove the “means for” limitations, thus placing them in condition for allowance. In addition, new claims 34 and 35 have been added to clarify the scope of the invention in view of the amendments to claims 11 and 15 herein. Thus, claims 1, 3-11, 13-20, and 34-35 are now pending. No new matter has been added.

Applicants respectfully submit that this application is now in condition for immediate allowance. Should any issues remain, the Examiner is invited to contact the undersigned by phone to resolve any such issues.

Respectfully submitted,
